The Career Center

January 31, 2019

Dear Dr. Chatterjee,

Congratulations! At least one graduate in the Class of 2018 has identified you as a person who has contributed greatly to their career development and success.

Each year as part of the UGA Career Outcomes Survey, the Career Center asks recent alumni to identify UGA faculty and staff who have had a significant, positive impact on their career decision-making process. You have been recognized as such a person!

While the Career Center serves as a key source of career information for students at UGA, we know that there are many faculty and staff who support students' career development, often without recognition. It is with great pleasure that we take this opportunity to acknowledge the impact you have had on the career development of UGA students. Enclosed is a certificate formally recognizing your contributions.

You may find additional information about our office and our Career Outcomes Survey at www.career.uga.edu. If there is an opportunity for us to support your work here at UGA, please don't hesitate to contact us.

Thank you for your continued dedication to the future careers of our UGA graduates!

Sincerely,

Scott Williams
